**Attractive and modern design with a high level of design accuracy, both inside and outside the car**

Designed from the beginning to be the flagship of the multi-use sports car category, Azkarra has been developed to be at the centre of the desires of young drivers eager for technology, communication and superior design aesthetics.

Innovative front grille design mimics water ripples to give the car a streamlined and dynamic look

### 1.5 liter turbo engine with direct fuel injection

Dual 7-speed transmission (4WD)  
Acceleration 0-100 km/h: Less than 10 s  
Fuel consumption km/L: 17.3

Dual 6-speed transmission (2WD)  
Acceleration 0-100 km/h: Less than 10.5 s  
Fuel consumption km/L: 15.3

LED headlights including daytime running light

Advance Driver Assistance System (ADAS) Technology

Entertainment system with 12.3-inch

**Smart and eco-friendly cockpit**

Smart and modern cockpit design gives the driver the convenience of access to all smart devices in the car, the interior of the cockpit is made of eco-friendly materials

**Electric Shift Lever**

You can turn it on with just one click, so you can enjoy smart and modern driving functions

Choice of driving modes  
(NORMAL, ECO, SPORT and OFF-ROAD)

| 360° Camera

| 7-inch LCD dash board

| Wireless Charge

Interior ambient lights (42 colors) adjustable

Electrically open and close the trunk  
(by trunk button or by car key)

Panoramic sunroof

Automatic dimming for internal rear view mirror

| Ample interior space

Lane keep assist (LKA)  
Lane departure warning (LDW)

Intelligent high beam control

Speed limit information  
system (SLIF)

Autonomous Emergency Brake (AEB)

# Geely cars Air Purifier CN95

Enjoy the advanced CN95 air purification technology that filters out 99% of bacteria in the car interior

Protection ability same with "N95" mask

Helps get rid of bacteria

Filters out the Particles in the air

Resist the allergens from pollen and mites

Removing mycete

Absorb smoke smell and removing odor

48V

EMS

# Your fun driving tour will be with a powerful engine

Azkarra with 48V auxiliary electric motor provides extra flow of power

48V EMS

## CRUISING

Power from the engine charges the 48V EMS battery

1

## BRAKING ENERGY RECOVERY

Kinetic energy from braking charges the 48V EMS battery

2

## ACCELERATION

The 48V EMS battery provides a maximum assistance of 10 kw and 50 Nm of torque

4

## QUICK STOP-START

When the car is stopped, the engine is turned off in order to save fuel (keeping the basic functions of the car working such as air conditioning, Listening Device and lighting). At launch, the electric motor gives 225 Nm of torque at a speed of 1,000 rpm ensuring an instant restart of the engine

3

## Specifications

Basic Parameters	Azkarra 2WD	Azkarra 4WD
Length x Width x Height (mm)	4544x1831x1713	
Wheelbase length (mm)	2670	
Overall height / empty (mm)	1713	
Curb weight (kg)	1610	1705
Rear Cargo Storage (L)	377.8	
Fuel tank capacity (liters)	58	
Engine Capacity (cc)	1477	
Maximum engine power (hp / rpm)	177 / 5500	
Maximum total engine power - for hybrid with 48V battery (hp)	-	190
Engine Maximum Torque (Nm / rpm)	255Nm at 1500-4000 rpm	
Maximum engine torque - for hybrid engine with 48V battery (Nm / rpm)	-	300Nm 1500-4000 rpm
A measure of environmental protection efficiency	EURO 6	
Transmission type	Automatic	Automatic (DCT Dual clutch transmission)
The number of transmission speeds	6	7
Push the movement	Front	Four Wheel Drive
Suspension (front / rear)	Macpherson independent/ Half independent-Torsion Beam	
Steering Assistant	Power steering	
Brakes (front / rear)	Disc/Disc	
Average consumption rate (km per liter)	15.3	17.3
Top speed (km / h)	200	
Acceleration rate (0-100km / h)	10.5	10
